The Reagan Presidency: Prayers in Gratitude

Cardinal Adam Maida, archbishop of Detroit, asks the priests and people of the Detroit archdiocese to keep President Reagan, his family, and our country in their prayers:

"Along with the Holy Father, President Reagan was instrumental in the deconstruction of Communism and the restoration of religious freedoms in Russia and eastern Europe. For his devout patriotism, his steady moral compass, and his loyal friendship to the Catholic Church, may Ronald Reagan enjoy eternal peace with the Lord."
